

# Credtab

Our mission is to help you discover, rate and share amazing content on popular social media platforms and news publications.

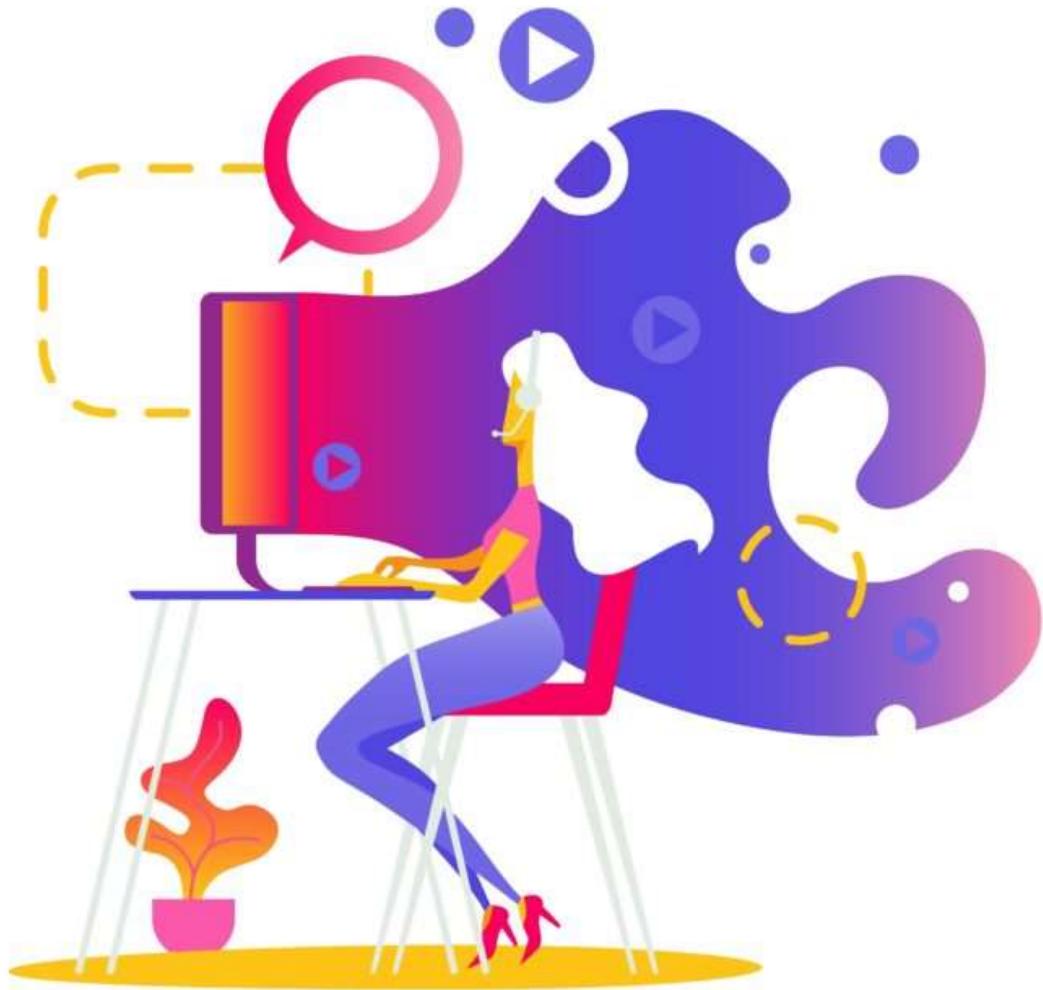

## Discover Rate Share

Find the best content creators, influencers and journalists on popular social media platforms and news publications. Explore the best content for your favorite #.

Leave a review for a content creator, influencer or journalist based on the quality of content they produce and help increase transparency and accountability.

Share your favorite content creator, influencer or journalist and help others discover amazing new content, ideas and perspectives.

# Accountability Transparency Quality Community

Help make content creators, influencers and journalists accountable by reviewing their work and giving constructive feedback.

Help make social media and news content more transparent by sharing content creators, influencers and journalists whose content you've consumed.

Help others find high quality content creators, influencers and journalists by rating their content across multiple categories.

Become a part of a community that rewards good content by sharing it and helping hard working content creators, influencers and journalists grow.
